

# PPR370-11

## Commercial Vacuum

Extra long 12.5 Metre Cable

Optional HEPA Filter Upgrade

High Airflow Vacuum Motor

High Efficiency Hepa-flo Bags

Comprehensive toolset with  
Stainless Steel Wands

The Numatic PPR370-11 plugged rewind dry vacuum offers a professional, tough and versatile workhorse that is packed full of innovative features.

The unique plugged cable rewind system allows simple cable replacement if needed. HepaFlo filtration not only raises performance standards but also provides for clean and convenient emptying when full.

The Microtex filter can be added to boost the filtration to even higher levels for health critical applications or around those with respiratory allergies.

#### Features:

- Two speed selector, providing optimum cleaning performance for all floors.
- Compact whilst offering professional 15L capacity.
- Plugged cable rewind, cable replacement is quick and easy.
- Long reach, 12.5 metre cable and rewind storage system.
- TriTex filtration system improves filtration, cleanliness and capacity.
- Convenient, on-board wand and floor-tool storage.
- Easy to change HepaFlo bags.
- A tool for every job, full accessory kit AS1 with stainless steel tube set.
- Energy efficient, A rated.
