**YOUR ONE STOP WATER-BLASTER SHOP.
TOUGHEST MACHINERY ON THE MARKET**

POWERWASH (ITALY) Industrial Cold and Hot Water Pressure Cleaners.

————— Elsea Vacuum and Shampoo Machines —————

Petrol Water Blasters are New Zealand assembled, built using only quality pumps and parts with genuine **Honda** or **Kohler** motors.

LOW SPEED HEAVY DUTY 1450 rpm units with gear box or high-speed direct drive.

Backed up with machinery from Karcher, Comet, IPC, and Interpump.

PRODUCTS:

Powerwash Hot Water-blasters

Ideal for removing grease and oils with little or no detergent. We offer a variety of configurations from 240v to 3 phase power, or Petrol/Diesel units.

Powerwash Electric Cold Water-blasters

We offer a variety of configurations from 240v to 3 phase power with either high or low pressure.

Standard Petrol Machines

Kleantech can custom build a machine best suited for your needs. Anything from a Skid Water blaster for drain cleaning to multiple gun operation for factory use.

NZ ASSEMBLED

Pumps

A variety of **Pumps** from brands such as **Hawk, Interpump, Udor, Cat Pump, Annovi Reverberi, Pratisoli** and others.

Vacuums
